### King County Sheriff's Office

Sheriff		<p>The King County Sheriff's Office consists of 1,100 commissioned and non commissioned employees who provide services to a varying degree to unincorporated King County. These services include reactive 9-1-1 patrol, undercover drug and gang enforcement, criminal investigations, major crimes, special assault investigations and concealed weapons licensing.</p> <p>Beginning in 2012 the King County Sheriff's Office initiated a massive organizational shift, and transitioned from the decades long precinct model to the current four zone configuration. This change was necessitated by dwindling resources and service area, with the intent to streamline operations and share resources throughout unincorporated King County. Each zone is supported by a zone Commander and all zones are lead by zone Major Jerrell Wills.</p> <p>Zone 1 -Unincorporated North of I-90 to Stevens and Snoq.
